

# You Betcha: Winning Casinos

**W**hile for most people playing games like blackjack, slots and bingo is the main focus of enjoyment for going to a casino, for many people it's the extras, or amenities found in the surroundings that contribute to the fun of a casino visit. Whether with man-made offerings and service, or with the natural beauty of the surrounding landscape, casinos in the region offer guests a vast variety of entertainment options like golfing, live shows and boat cruises. Whether you like your casino gaming in the heart of big city excitement, or set in the pristine wilderness, the You Betcha Tour will provide plenty of thrills.

## Day 1 Morton – Red Wing (168 mi/269 km)

**Jackpot Junction Casino Hotel** in Morton has many entertainment options – settle in for gaming action, see a headline act, dine in one of three restaurants or relax with a drink in one of four bars. Take a dip at the hotel's pool and spa, or tee off at Dacotah Ridge, a Rees Jones-designed championship golf course. Continue on to **Mystic Lake Casino Hotel** south of Minneapolis to try your luck at 100 blackjack tables, more than 2,800 slot, video poker and keno machines, high stakes bingo, or to enjoy some of the biggest names in entertainment. Choose from fine dining, casual restaurants or the biggest buffet in the Midwest. On the banks of the Mississippi River, **Treasure Island Resort & Casino** offers a taste of the tropics. A water wall, rock pool and tropical fish aquariums welcome guests to the casino with slots, video poker, craps and keno. Outside, enjoy a scenic Mississippi River Cruise on the **Spirit of the Water** luxury liner. Take a few laps in the pool, unwind in the hot tub, and then tuck yourself into bed in a plush room at the Caribbean-themed hotel.
